Present:

**USING SPLIT DOLLAR LIFE INSURANCE  
TO FUND BUY SELL AGREEMENTS**

This class is a continuation of our prior two classes dealing with the proper establishment and funding of buy sell agreements for business owners. During this presentation we will review a buy sell funding method using Split Dollar Life Insurance. This is an advanced course and I believe you will find it very informative for both you and your clients. Properly structured, the split dollar will provide many of the benefits simply not available to normal life insurance funded buy sell agreements. **YOU SHOULD NOT MISS THIS PRESENTATION.**
